

Florida Agent

Summer 2023 • SouthernTeachers.com

The Opportunity

Southern Teachers is the premier placement agency for private/independent schools in the South. For over a century, Southern Teachers has helped hundreds of schools hire thousands of talented educators. We serve schools in 14 states, grouped into seven regions. Our strategic plan envisions a School Agent for each region. We are currently seeking an Agent to work with our member schools in Florida, to commence work in July 2023.

Southern Teachers helps independent schools in the South hire talented teachers and leaders so that our member schools may offer the best possible education to their students.

ST Agents are typically veteran school administrators with years of experience in faculty hiring. Their primary task is to develop supportive working relationships with the hiring managers at ST Member Schools in their respective geographic regions. Each Agent works with anywhere from 75 to 200 schools. Agents stay in regular contact with heads of schools, division directors, and human resources staff to learn about faculty openings, so that we may refer the most talented candidates available. Agents provide school leaders with much appreciated personal attention and support.

Our Florida Agent will work remotely from central Florida (Orlando, Tampa, or St. Pete areas) with ample technology resources provided by Southern Teachers. Daily duties will entail regular contact with school representatives to discuss vacancies, as well as managing call records and other features of ST's recruitment and placement database systems. The Agent will also regularly visit our member schools and attend independent school conferences/events.

If you enjoy ongoing interactions and supportive conversations with fellow educators, this position offers an excellent opportunity to join a close-knit, hard-working, fun-loving team of agents, teacher placement counselors, and leadership search consultants who believe strongly in the vital mission of independent schools.

Founded in 1902, Southern Teachers is the oldest teacher placement agency in America and the only agency dedicated to working with schools in the South.

To Apply

Please send your resume and cover letter as email attachments to Goodman@SouthernTeachers.com.

The deadline for applications is November 30, 2022
