Southern Teachers is assisting Valor Preparatory Academy (VPA) in its search for a Dean of Students to assist the Head of the Upper School in the day-to-day administration of the upper school. As a University-Model School, VPA integrates academics, student engagement, and Christ-like character development while affirming parents’ roles as the primary influence in their children’s lives by redirecting time from the school to the family.

The Dean will administer and manage the Admissions Assessments, PSAT, National Latin Exam, and CLT Exam; develop and implement a National Honor Society chapter at the school; manage transcripts for upper school students; and manage academic probations for students in grades six through twelve. He or she will generate class lists each academic year, oversee the Scholar’s Lounge in the Rhetoric School, and participate in student life by being active in the Rhetoric School chapel/fellowship and discipleship groups and by coordinating field trips. As a member of the administrative team, The Dean will attend bi-weekly faculty meetings in the Logic and Rhetoric schools, be a part of the leadership team, and teach one course in the Logic or Rhetoric schools.

Candidates must exhibit a personal faith in Jesus Christ. They must have excellent people skills and be good communicators who can diffuse difficult situations, solve problems, respect confidentiality, and delegate responsibilities. Seeking personal development and receiving and giving feedback graciously are important for success.

Valor Preparatory Academy is a Classical Christian University-Model School serving approximately 260 students in grades prekindergarten through twelve. Founded in 2014, VPA is Waco’s only University-Model school, employing a schedule adapted to the elementary, junior, and senior high levels, gradually preparing and releasing students toward age-appropriate independence and organization.
