Southern Teachers is assisting North Hills Christian School (NHCS) with its search for a Director of Athletics to strengthen and expand the school’s sports offerings and provide a quality, missional athletics program that serves and helps fuel the growth of the student body. With no teaching or coaching expected and no responsibilities for the P.E. program, the AD will be a godly and impactful ambassador for NHCS’ sports and student-athletes and an invested member of the school community.

The AD oversees the athletics program and facilities; selects, evaluates, and supervises the coaching staff; prepares all practice, game, and officials schedules; supervises on and off-site sports camps and their coaches; ensures that NHCS buses are serviced and well-maintained; and acts as the school representative for all conference and state athletic events throughout the year, including the summer. He or she establishes, reviews, and enforces athletic department policies and procedures in conjunction with the administrative team; collaborates with the Admissions and Marketing department to promote athletics; develops a long-range plan and vision for the continued growth and enhancement of the athletic program; manages and makes recommendations regarding the department’s budget; and ensures that all student and family sports documents are up to date and completed on time.

Compelling applicants will be organized, relational doers with good writing and communication skills and strengths in strategic thinking. Having received Jesus Christ as their personal Savior and possessing a clear testimony, they will believe that the Bible is God’s Word and the standard for faith and daily living and agree with the NHCS Statement of Faith. Prior experience in athletic program administration is preferred.
